

Faith [Lyrics, 72 bpm]

[Default Arrangement]

Intro

... ..

Verse 1

It was faith that stirred the waters
Faith that parted seas
It was faith that shook foundations
Led people to believe

Verse 2

It was faith tamed the lion
It was faith that showed the way
The faith that slayed the giant
It's the faith I have today

Chorus

I believe that You have done it all
I will be Your glory to the lost and broken
I believe You're making all things new
Healing every heart to worship you in reverence

Verse 3

It was faith walked the waters
The faith that blind would see
It was faith that healed the leper
The faith that lives in me

Verse 4

Now it's faith that moves me forward
Reaching to the lost
Mending what is broken
Giving all it costs

Chorus 2

I believe that You have done it all
I will be Your glory to the lost and broken
I believe You're making all things new
Healing every heart to worship you in reverence

Instrumental

Bridge

With faith we lift our hands and sing it out
For we know the God who shattered every doubt
With faith we lift our hands and shout it out
For we know what life in You is all about

Tag

Yeah we know what life in You is all about

Chorus 3

I believe that You have done it all
I will be Your glory to the lost and broken
I believe You're making all things new
Healing every heart to worship you in reverence

Bridge

With faith we lift our hands and sing it out
For we know the God who shattered every doubt
With faith we lift our hands and shout it out
For we know what life in You is all about

For we know what life in You is all about
