... It's in the words that I speak

It's the way, It's the way of love

... A mere emotion on it's own
... It's far beyond the boundries that i've known
It's the way, It's the way of love

Chorus

I I am rooted, I am grounded in Your love
I have power, I have fullness in Your love

It's the way, It's the way of love
It's the way, It's the way of love

I am rooted, I am grounded in Your love
I have power, I have fullness in Your love
I am anchored, in my father's endless love
There is freedom, there is fullness in Your love
