Verse 1

You are always here beside me
Everywhere I go
You are with me in the troubles and joy
That is why I love you so

Your love will always be there
It never lets me go
Your love will never ever run dry
That is why I love you so

I will sing of your mercy
I will sing of your love
I will sing of your goodness
And of all you've done for us
I will not be silent
So everyone will know
About this good good God that I love so

Oh not be silent
