

Shall Not Fear [Lyrics]

BPM – 100

Intro: G

Verse 1

I am found in the presence
of my Saviour, this I know
He's my God, He is for me,
He is with me where I go

Refrain

For the Lord is everlasting,
Lord is always here
He leads me through the valleys
What then shall I fear?
I shall not fear

Verse 2

He's the light in the darkness,
He will lead me where I go
For He's love, is inside me,
Never ending, this I know
