BUS MINISTRY

CITY TRANSFORMATION

For the last few years we have had the privilege of working alongside Interstate bus lines to provide **transport for students and families** who otherwise would not be able to attend church on a Sunday.

This has even developed into a ministry space where partners from our morning and evening services take responsibility to host busses on a Sunday.

Each Sunday we have one bus in the morning and three busses for the evening driving in and around UFS Campus and the neighbouring areas.

This enables us to reach, disciple, and raise young leaders and families within the city of Bloemfontein.

FEEDBACK & VICTORIES

In 2025 we experienced rapid growth.

At the beginning of 2025 we had two tram busses driving each Sunday.

Within 6 months we had to start running a 3rd smaller bus to help with overflow. And then in the month of September our 3rd smaller bus had to be replaced with a 3rd tram bus.

This means that over 300 students make use of this every week. On average we see approximately 320 students on our busses each week.

Testimonies from this ministry include seeing close to 80 students being baptized in 2025. Close to 50 students attending discipleship courses aimed at young men and women, and also close to 20 students being trained through our leadership training processes. We look forward to 2026!
