

FEEDBACK

This year at Eunice has truly been a year of blessing!

We hosted an incredible Teachers Invest where each of the 92 teachers received a personal word, along with a powerful time of worship.

Attendance on Thursdays has grown significantly, with girls showing up hungry to learn about God—one even shared that “Thankful Thursdays” are her favourite because that’s where she gets to encounter Him.

It’s been beautiful to see the girls begin praying for one another.

We are thankful for the opportunity to be more intentional with the Grade 6–7’s while still ministering to the younger girls.

Our team has also started building relationship with the Moms Who Care, with the hope of launching a Girls Club for the Grade 6–7’s next year.

A massive highlight was our worship event on 14 August, where about 380 learners from Eunice, Grey College, and St. Andrew’s Primary gathered together to worship Jesus—an unforgettable success!

Looking ahead to 2026

- Looking to 2026, our vision is to secure more time with the girls for more intentional lessons, and to launch a prayer group at Eunice to build a strong foundation of intercession and spiritual growth in the school.

Impact in Numbers

- Grade 1-5 (average of 62 kids)
- Grade 6-7 (average of 10 kids)
- Worship event (+-350 kids)
- Teachers invest (90 teachers)
