

FEEDBACK

This year at Willem Postma, UCSA has been full of powerful moments!

We celebrated the launch of the new Worship Dance Team and Prayer Team, where students are boldly stepping out in worship, prayer, and intercession.

Every Friday, learners gather for UCSA with passion. During these sessions, they grow spiritually, gain confidence, and inspire both their peers and teachers.

One of the major highlights was our first Teacher Invest at Willem Postma for 2025. Each teacher received a personal word of encouragement—a reminder that they are, first and foremost, beloved children of God.

We also had the joy of praying over Mr. Sakkie as he stepped into his new role as Headmaster!

Impact in Numbers

- Grade 1–4: Average of 330 learners
- Grade 5–7: Average of 380 learners
- Worship Event Attendance: 190 learners
- Teachers Invest Attendance: 70 teachers

WILLEM POSTMA

Primêre Skool

Another unforgettable moment was the GLOW worship evening on 21 May, where 190 children worshipped Jesus with sincerity and passion.

Testimonies from both learners and teachers revealed how real and tangible the Holy Spirit's presence was that night.

We are also excited to introduce a Prayer Box during UCSA periods, allowing learners to submit prayer requests. These requests will be prayed over by the Grade 7 Prayer Team.

Looking ahead to **2026**

Our vision for 2026 is to:

- Grow the Prayer Team even further.
- Invest intentionally in Grade 6 learners, who are often “in between” stages as future leaders of the school.

We aim to give them opportunities to serve—through outreaches and leadership roles—to help prepare them to step into Grade 7 as strong, equipped leaders.
