CITY TRANSFORMATION

EXCITING NEWS

One of our Doxa Deo North Campus partners, Annike Fourie, has felt a clear call from God to become more fully involved in the Life Centre ministry on a near full-time basis.

Annike, an occupational therapist, will take leadership of the Life Centre at the end of 2025. We are excited to see how God will work through her unique blend of passion and skill in serving people facing challenging seasons of life.

LIFE CENTRE will continue to make an impact in the lives of individuals by providing Bible-based encouragement, emotional support, and a safe environment to those going through difficulty.

The focused areas of ministry provided at Life Centre include the following:

Divorce Care

A 13-week program to guide you through the challenges of divorce or separation towards rebuilding your life.

Grief Share

A 13-week program for people who have lost a loved one. Our team will guide you through your grieving journey toward healing and hope for the future.

Encouragers

Our Encouragers are instrumental in coming alongside those who are struggling through a storm, need someone to lend a sympathetic ear, provide sound Biblical guidance and ensure they're empowered to persevere.

Looking ahead to 2026

Our vision for the Life Centre includes establishing a dedicated office and a fully functioning Encourager Ministry at both campuses.

We are also trusting God to enable us to take the next steps in training pastoral counsellors who can serve within the Life Centre.

Another significant development will be expanding our Divorce Care and Grief Share courses to reach more of our community—particularly local schools—offering ongoing support in the midst of broken family dynamics and grief.
