

healthy school = healthy future

TRANSFORMING EDUCATIONAL ENVIRONMENTS

DR BÖHMER *Secondary School*

New Ventures

We are thrilled to share the news that we have added a new school to the TREE mission in Bloemfontein!

We have only been visiting the school for three weeks but are already so excited and full of faith for what God is doing in this school.

We have started preaching the simple yet powerful gospel! And obviously having a ton of fun getting to know then teens there!
