

Home Group Session 2:

Scriptures:

- **Hebrews 10:19-20** – "Therefore, brothers and sisters, since we have confidence to enter the holy place by the blood of Jesus, by the new and living way that he opened for us through the curtain, that is, through his flesh."
- **Hebrews 10:35** – "Therefore do not throw away your fearless confidence, which has a great reward."
- **1 Corinthians 1:2** – "To the church of God that is in Corinth, to those sanctified in Christ Jesus, called to be saints together with all those who in every place call upon the name of our Lord Jesus Christ, both their Lord and ours."

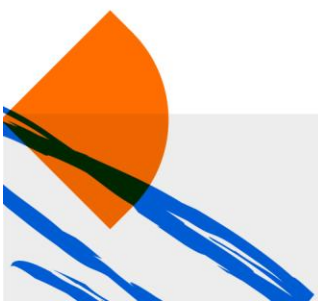

Session Intro: This week's study focuses on understanding the fearless confidence we have before God, our King, due to the sacrifice of Jesus Christ. Hebrews 10 emphasizes the new and living way that Jesus opened for us through His flesh, breaking down the barriers between God and humanity. We will explore how awareness of God's presence affects our daily lives, allowing us to live from His presence rather than for it.

Question 1: What are some of the barriers in your mind that would hinder you from having this kind of fearless confidence before God, the King of everything?

- What mental and emotional barriers might prevent you from fearlessly approaching God? Jesus has destroyed all barriers of separation, and now we can approach God with the confidence of a child running into the throne room to embrace their father.

Question 2: How do you experience the presence of God in your everyday life?

- Building on the idea that God is always present, discuss how you become aware of God's presence in different moments of your daily life.

Live It Out:

- In the coming week, take note of the moments in your daily life when you experience a heightened awareness of God's presence, whether during prayer, studying Scripture, or worship. Over time, this awareness will deepen, helping us to live more confidently in the presence of God. Consider taking time in the next session to share these experiences and reflect on the growing sense of God's closeness in our lives.
