

## Home Group Session 4:

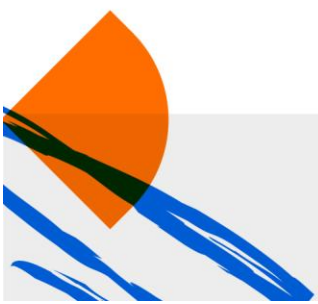

### Scriptures:

- **Hebrews 11:32-40** – "What more shall I say? Time will fail me if I tell of Gideon, Barak, Samson, Jephthah, David, Samuel, and the prophets, who by faith subdued kingdoms, administered justice, obtained promised blessings... And all these, though commended through their faith, did not receive what was promised, since God had provided something better for us."
- **Hebrews 2:5-7** – "For it was not to angels that God subjected the world to come, of which we are speaking. It has been testified somewhere, 'What is man that you are mindful of him, or the son of man that you care for him? You made him for a little while lower than the angels; you have crowned him with glory and honor, putting everything in subjection under his feet.'"

**Session Intro:** In the final week of the study, the focus shifts to understanding our role as heroes of faith and how we are crowned with glory and honour by God. Hebrews 11 highlights the acts of faith by individuals who shaped the world through their contributions, and the study emphasizes that every positive action we take is an act of God's glory. Hebrews 2 reminds us of our divine calling and position—though temporarily lower than angels, we are crowned with honour and glory and entrusted with great power. This revelation should inspire us to step into our creativity and take action that brings positive change to the world.

### **Question 1: Do you realize that as a hero of the faith, every positive contribution you make on earth is an act of the glory of God?**

- Reflect on your daily actions and recognize that every positive contribution, no matter how small, is part of God's glory at work in the world. Hebrews 11 highlights the mighty deeds done by individuals of faith. By embracing the identity of a hero of the faith, we begin to view our daily efforts—whether in work, relationships, or community—as part of God's greater story of glory.

**Question 2: Why don't you describe and discuss the creativity that you received from God that you know will bring positive change to this world?**

- Reflect on the creativity that God has placed within you, and how this creativity can be used to bring about transformation in your community and beyond. The power of imagination and creativity is one of the greatest gifts from God. How can you use your creative abilities to shape culture, start organisations, or contribute to other impactful efforts that will change the world for the better?

**Live It Out:**

- Prayerfully identify one creative project or initiative you feel inspired to pursue, whether it's a new idea at work, a community service initiative, or a personal artistic endeavour. What concrete steps can you take toward bringing this idea to life, knowing that your creativity is an expression of God's glory and will bring positive change to the world?
