FELLOWSHIP WITH THE FATHER

DAY 9: ETERNAL LIFE STARTS NOW

Scripture:

John 17:3 NLT

“And this is the way to have eternal life—to know you, the only true God, and Jesus Christ, the one you sent to earth.”

Observation:

Eternal life isn't just about heaven. It's about knowing God intimately now. Real life starts not when we die, but when we dwell in relationship with Christ.

Application:

I will shift my mindset: I don't just wait for eternity, I live it. Today, I'll prioritize knowing Jesus more deeply, not just knowing about Him.

Prayer:

Jesus, I want to know You more today. Open my heart to Your voice and presence. Let me live fully alive in You.
