FELLOWSHIP WITH THE FATHER

DAY 1: CREATED FOR FELLOWSHIP

Scripture:

John 1:1-3 NLT

"In the beginning the Word already existed. The Word was with God, and the Word was God. He existed in the beginning with God. God created everything through him, and nothing was created except through him."

Observation:

Before time and creation, there was fellowship within the Trinity. Jesus existed eternally in perfect relationship with the Father. This foundational truth shows us that fellowship is at the heart of divine intent.

Application:

As someone made in the image of God, I am made for deep, intentional relationship with Him. Today, I will pause to realign my heart with this truth and seek genuine connection, not performance.

Prayer:

Father, thank You for welcoming me into Your eternal fellowship. Remind me today that I am never alone. Draw me into deeper intimacy with You.
