DAY 22 – THE BEAUTY OF PRUNING

Scripture:

John 15:2 NLT

“He cuts off every branch of mine that doesn’t produce fruit, and he prunes the branches that do bear fruit so they will produce even more.”

Observation:

Pruning isn’t punishment, it’s love. God removes what stunts our growth. Though painful, it’s always for our good and His glory.

Application:

What is God trimming in your life? Instead of resisting, receive it as His care. Let go, and grow.

Prayer:

Lord, when You prune me, help me to trust Your love. Thank You for preparing me to bear more fruit.
