DAY 29 – LOVE THAT FLOWS

Scripture:

John 15:12 NLT

“This is my commandment: Love each other in the same way I have loved you.”

Observation:

True love flows from abiding. The more we remain in Christ, the more we resemble Him.

Application:

Who can you love sacrificially today? Ask Jesus to love through you.

Prayer:

Lord, let Your love flow through me. Make me a branch that bears love.
