FELLOWSHIP WITH THE FATHER

DAY 34 – LOVING THE HARD TO LOVE

S – Scripture:

Matthew 5:44 NLT

“But I say, love your enemies! Pray for those who persecute you!”

O – Observation:

Abiding love goes beyond comfort zones. It reaches the difficult, the hostile, the undeserving, just like Jesus did.

A – Application:

Who is hard for you to love right now? Ask God to shift your heart from defence to grace.

P – Prayer:

Father, help me to love like You, especially those I want to avoid. Let Your love stretch me into radical grace.
