FELLOWSHIP WITH THE FATHER

DAY 31 – LOVE FLOWS FROM ABIDING

S – Scripture:

John 15:9 NLT

““I have loved you even as the Father has loved me. Remain in my love.”

O – Observation:

Jesus connects divine love to our daily posture. We are not asked to produce love, we are invited to remain in it. Abiding is the flow, love is the fruit.

A – Application:

Pause and ask: Am I remaining in His love, or merely visiting? As you remain, allow that love to overflow into your relationships.

P – Prayer:

Jesus, thank You for loving me with the same love the Father gives You. Teach me to remain in it and let it flow through every interaction today.
