## DAY 39 – JOY THAT COMES FROM LOVING WELL

### **S – Scripture:**

John 15:11-12 NLT

“I have told you these things so that you will be filled with my joy. Yes, your joy will overflow! This is my commandment: Love each other in the same way I have loved you.”

### **O – Observation:**

Joy and love are intertwined. When we love well, we live well. Jesus wants His joy to be yours.

### **A – Application:**

Where has love brought joy in your life? Celebrate that. Then ask: Who needs joy through your love today?

### **P – Prayer:**

Jesus, let Your joy be full in me. I want to love others in a way that brings You delight.
